### MEMORANDUM FOR All L-DENTAC Personnel

SUBJECT: Landstuhl Dental Activity (L-DENTAC) Commander's Policy Letter 04-10, Extremist Activities

This memorandum expires 1 year from date of publication.

1. As members of the Armed Services, we have committed ourselves to defending the Constitutional rights of all citizens. With that commitment comes the responsibility of serving as the example in the area of fairness, equality and respect for the diversity that is America. Active participation in extremist organizations and/or gangs is inconsistent with military service. We should not condone the behaviors of those who preach hate and advocate violence, nor should we tolerate their presence in our ranks.

2. Military personnel are prohibited from actively participating in extremist organizations. Active participation includes:

- a. Espousing supremacist views and causes.
- b. Attempting to create illegal discrimination based on race, color, gender, religion, or national origin.
- c. Advocating the use of violence or force, or otherwise engaging in efforts to deprive individuals of their civil rights.

3. This command will conduct training and take action whenever appropriate. The Equal Opportunity Representative (EOR) has training material to assist leaders with implementing training at all levels. You may contact the EOR, the Inspector General, the Staff Judge Advocate, or the Criminal Investigation command for additional information and assistance.

A handwritten signature in black ink, reading "Mark E. Peacock", is positioned above the printed name.
